## **Questions and Answers**

### **Firefighter Application & Testing Services**

---

The purpose of this document is to provide questions and answers regarding this RFP. The following Q&A's are current as of 12/14/2017:

**Q1. Is this RFP also for the pre-employment background investigation process or just the initial testing?**

A1. The RFP includes the pre-employment background check process (see Attachment A, Scope of Work).

**Q2. Is it mandatory that the vendor bid on all elements in the SOW or may they bid on portions, e.g., exam and test administration, etc.?**

A2. We are seeking proposals that include all elements listed in the Scope of Work.

**Q3. How many candidates do you anticipate will test over 12 months?**

A3. For comparative purposes, there were approximately 600 in 2016. And there were approximately 300-400 in 2017.
